SAME FINE QUALITY WITH
IMPROVED FEATURES**

The **S.O.S. Junior** — the "Big Brother" of all other Junior Tripods — is a professional, medium weight tripod; provides complete flexibility with ease — precision engineered for smooth controlled friction pan and tilt movements. Scientifically designed with **GROOVED LEGS** for utmost rigidity; compactly and ruggedly constructed for long, satisfactory service. Vastly improved over any tripod in its class — fully guaranteed against defects in materials and workmanship.

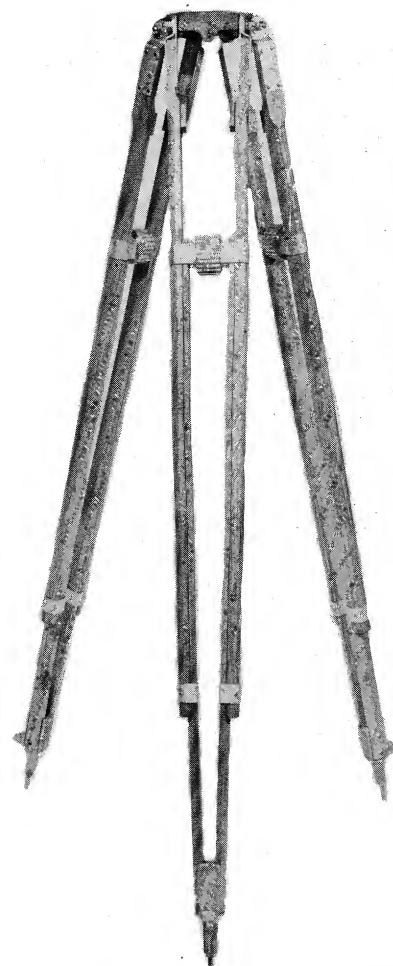

Fits most any camera with or without motor and 400' magazines, including — Auricon Pro . . . Maurer . . . Filmo . . . Cine Voice . . . Bolex . . . Eyemo . . . Arriflex 16 . . . Arriflex 35 . . . TV Vidicon Cameras . . . Still Cameras . . . View Cameras . . . Etc.

**COMPLETE TRIPOD WITH
HEAD AND LEGS...\$139.⁵⁰
HEAD ONLY...\$75.⁰⁰**

S.O.S. JR. alone features professional **grooved-type curved legs** formerly found only on expensive SENIOR TRIPODS. They are trustworthy — will support the heaviest of 16mm cameras easily.

DON'T WAIT! These legs are fast running out. Order now and modernize — old flat legs are out of style.

S.O.S. JR. LEGS are made of the finest seasoned oil treated hardwood. They will accommodate most tripod heads such as the **S.O.S. Jr., S.O.S. Visco-Matic, Pro Jr., O'Connor** and **Miller**.

**PROFESSIONAL GROOVED
LEGS ONLY...\$75.⁰⁰**
